

This submission is in response to your December 15, 2010 letter regarding Patriot Majority PAC s October Quarterly Report.

1. The report will be amended to add the 'Calendar Year to Date' total from the previous report to the current 'Total This Period' figure from Column A to correct the Column B totals.
2. The 48-hour notice on 9/9/10 correlates to the disbursement made on 9/2/10 to Media Strategies and Research for a communication that was publicly disseminated on 9/7/10. However, please note that these communications did not contain express advocacy. Therefore, the report will be amended moving the disbursements from Schedule E to Schedule B line 21(b).
